SAVVY CAPITAL MANAGEMENT, Boca Raton, Florida, is proud to announce our achievement of accreditation with the Better Business Bureau®.

With headquarters here in South Florida and with satellite offices in New York and Rhode Island, “SAVVY” is a privately held Acquisition, Advisory, Finance, and Management firm with a particular concentration on Finance and Business Development services.

BBB is a standards-based, nonprofit organization with a local Board of Directors. It works to advance business trust. BBB believes businesses and nonprofits that embrace trust as a core principle in their organization will see growth in employees, customers, community, and their bottom line.

Geoffrey Lopes da Silva, Finance and Advisory Division Coordinator, stated today: *“We are very pleased to achieve BBB accreditation status, and we reaffirm our commitment to excellence in all aspects of our business conduct and practices. We strictly adhere to the BBB’s Code of Accreditation Standards and its Standards for Trust. Our integrity guides every action we take. We believe in cultivating honest and fair business relationships, and our BBB accreditation serves as a testament to this commitment.”*

Businesses and charities are invited to apply for Accreditation and work collaboratively with local BBB staff to provide transparent information for consumers seeking companies they can trust. BBB Accreditation is approved by the board of directors, and SAVVY CAPITAL MANAGEMENT is proud to join businesses across North America and the BBB in an effort to advance marketplace trust through standards for ethics and integrity.
